High Schools

The Town of **Lempster offers choice for high school** - which truly is appealing as families can decide what high school is best for their child.

Many go to **Fall Mountain High School**, but a contract exists with multiple high schools. (Newport, Sunapee, Stevens, Keene, Kearsarge, etc.)

Newport High School is the home of the Tigers. Their mission is to inspire, prepare and challenge all students with a relevant, rigorous curriculum, driven by outstanding instructional leaders in partnership with our families, businesses, and community, consistent with our core values.
